Note 1 – Organization

Washington Square Park Conservancy, Inc. ("WSPC" or the "Organization"), a 501(c)(3) not-for-profit organization was incorporated on October 30, 2012 in New York State. The Organization works with the New York City Parks Department and neighborhood groups to ensure that Washington Square Park continues as a diverse and historical urban green space through engaging volunteers and raising funds to help keep the Park clean, safe and beautiful. The Park consists of 9.75 acres and is located at the base of Fifth Avenue between MacDougal Street and University Place.

Note 2 – Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Financial statement presentation

WSPC reports information regarding its financial position and activities in two classes of net assets:

Net assets without donor restriction - Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the "Board") and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. The Organization's net assets without donor restrictions are composed of undesignated amounts.

Net assets with donor restriction- Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions.

The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statements of activities and changes in net assets as net assets released from donor restrictions.

Cash and cash equivalents

WSPC considers depository accounts and investments purchased with a maturity date of three months or less to be cash and cash equivalents.

Note 2- Summary of significant accounting policies (continued)

Concentration of credit risk

Financial instruments that potentially subject WSPC to concentrations of credit risk consist principally of cash and cash equivalents with financial institutions. WSPC maintains its cash and cash equivalents in various bank accounts which from time to time may exceed the Federal Deposit Insurance Corporation ("FDIC") limits. WSPC has not experienced any loss in such accounts.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Functional allocation of expenses

The statement of functional expenses present expenses by function and natural classification. Expenses directly attributable to a specific functional area of the Organization are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated between program and support services. The breakdown into program services, fundraising, and management and general expenses is provided by management using their best estimates as to the appropriate allocation.

Volunteer services

Volunteers have donated their time and services to the Organization's activities and fundraising efforts. No amounts have been reflected in the financial statements as such services do not meet the criteria for recognition.

Fair value of financial instruments

The Organization uses the following methods and assumptions to estimate the fair value of each class of financial instruments for which it is practicable to estimate such value:

Cash - The carrying amount approximates fair value because of the short maturity of those instruments.

Contributions and grants receivable - The carrying value of contributions and grants receivable approximates fair value due to the short-term nature and historical collectability.

Accounts payable and accrued expenses - The carrying value of accounts payable and accrued expenses approximates fair value due to the short-term nature of the obligations.

Note 2- Summary of significant accounting policies (continued)

Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Allowance for doubtful accounts

The Organization's contributions and grants receivable are presented on the statement of financial position net of the allowance for doubtful accounts, if required. The allowance is determined by a variety of factors, including the age of the receivables, current economic conditions, historical losses and other information management obtains regarding the financial condition of donors. The policy for determining the past due status of receivables is based on how recently payments have been received. Receivables are charged off when they are deemed uncollectible, which may arise when donors file for bankruptcy or are otherwise deemed unable to repay the amounts owed to the Organization. There was no allowance as of June 30, 2021.

Revenue recognition

The revenue for the Organization is generated by fundraising events, contributions, and grants. Accordingly, revenue from fundraising events is generally recorded at the time of the event. The Organization recognizes contributions in the period amounts are received or promised, net of any allowance for uncollectible amounts. Contributions and grants are considered to be without donor restrictions unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. Revenue is used to provide horticultural care and maintenance and offer programs for visitors of Washington Square Park.

Income taxes

The Organization is a not-for-profit Organization that is exempt from Federal and State income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Organization is registered with the New York State Charities Bureau and is subject to annual reporting requirements and filing fees. The Internal Revenue Service has determined that WSPC is a qualified charitable organization to which contributions are eligible for deduction by individual donors as described under Section 170 of the Internal Revenue Code. Income, if any, unrelated to the Organization's exempt purpose, net after expenses, would be subject to Unrelated Business Income Tax ("UBIT"). The Organization did not have any unrelated business income tax liability for the year ended June 30, 2021.

Note 2- Summary of significant accounting policies (continued)

The Organization applies Accounting Standards Codification Topic 740, the provision pertaining to uncertain tax positions, and has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. The Organization is currently open to audit under the statute of limitations by the federal and state jurisdictions for years subsequent to fiscal 2018.

Note 3 – Liquidity and availability

The Organization's financial assets available within one year of the statement of financial position date for general expenditures are as follows:

Cash	\$ 461,502
Contributions and grants receivable	<u>275,000</u>
Total financial assets available to management for general	
expenditure within one year	\$ 736,502
Less: net assets with donor restrictions	(165,858)
Total financial assets available to management for general	
expenditure within one year	<u>\$ 570,644</u>

The Organization maintains a policy of structuring its financial assets to be available as general expenditures, liabilities and other obligations come due.

Note 4 – Event income, net

As part of its fundraising efforts, the Organization has an annual benefit. The composition of event income, net as reported in the statement of activities for the year ended June 30, 2021 is as follows:

Event revenue	\$ 23,100
Event direct expenses	 6,430
Event income, net	\$ 16,670

Note 5 - Concentration of revenue and receivables

One donor's gift accounted for approximately 37% of total support and revenues for the year ended June 30, 2021.

Receivables from one donor represented 91% of the total contributions and grants receivable at June 30, 2021.

Note 6- Donated facilities

The Organization is provided office space consisting of two desks and the use of conference rooms, phones, copiers, internet etc. The fair market value of the donated facilities has not been determined and is not reflected in the financial statements.

Note 7– Net assets with donor restrictions

WSPC's net assets with donor restrictions consisted of \$150,000 from the Manton Foundation and the grant from the Dalio Foundation for \$420,000. The grant from the Manton Foundation is time- restricted while the grant from the Dalio Foundation is restricted to lawn restoration and two full-time maintenance positions.

During the year ended June 30, 2021, WSPC released net assets with donor restrictions of \$160,348 by incurring program expenses. Total net assets with donor restrictions was \$275,000 as of June 30, 2021.

Note 8- Paycheck protection program loan

On February 24, 2021, pursuant to the Paycheck Protection Program ("PPP") under the Coronavirus Aid, Relief, and Economic Security Act (the CARES, Act), the Organization applied for and was granted a loan of \$37,793. The loan is payable in two years, with a six-month deferment, at 1% fixed interest and is secured by the Small Business Administration ("SBA"). The intent of the PPP loan program funds is to be used for payroll and employee benefits. On August 5, 2021, the Organization received full forgiveness from the SBA.

Note 9– Coronavirus disease 2019 (COVID-19)

In March 2020, the World Health Organization declared the outbreak of COVID-19 as a pandemic, which continues to spread throughout the United States. Destination could be materially and adversely affected by the risks, or the public perception of the risks, related to an epidemic, pandemic, outbreak, or other public health crisis, such as the recent outbreak of COVID-19. The ultimate extent of the impact of any epidemic, pandemic or other health crisis on our business, financial condition and results of operations will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of such epidemic, pandemic or other health crisis and actions taken to contain or prevent their further spread, among others. Accordingly, we cannot predict the extent to which our financial condition and results of operations will be affected.

Under the CARES Act, the Organization is eligible to receive an employee retention credit, which is a credit against the employer portion of Social Security taxes for certain wages between March 13, 2020, and December 31, 2020. The CARES Act extended the employee retention credit though June 30, 2021, while also modifying the provisions of the credit. The Organization has finalized its application for the employee retention credit and accordingly, \$44,056 is included in due from employee retention credit in the accompanying balance sheet and other income in the statement of activities at June 30, 2021.

Note 10-Litigation

The Organization is involved in a legal proceeding arising from claims by a park visitor and her family. The Organization believes that it has been wrongly named as a defendant in the action and has other significant defenses to the claims made, and is strongly defending the action. In the opinion of management, in consultation with outside pro bono legal counsel, the final disposition of the matter will not have a material effect on the Organization's financial statements.

Note10 - Subsequent events

Management has evaluated all subsequent events or transactions for potential recognition or disclosure through March 29, 2022, the date the financial statements were available to be issued.
