INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Washington Square Park Conservancy, Inc.

Opinion

We have audited the accompanying financial statements of Washington Square Park Conservancy, Inc., (the "Organization") which comprise the statement of financial position as of June 30, 2023 and the related statements of activities, cash flows and functional expenses, for the fiscal year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Washington Square Park Conservancy, Inc., as of June 30, 2023, and the changes in its net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 DESCRIPTION OF ORGANIZATION

Washington Square Park Conservancy, Inc. (the "Organization"), is a not-for-profit Organization that works with the New York City Parks ("Park") Department and neighborhood groups to ensure that Washington Square Park continues as a diverse and historical urban green space through engaging volunteers and raising funds to help keep the Park clean, safe and beautiful. The Park consists of 9.75 acres and is located at the base of Fifth Avenue between MacDougal Street and University Place.

The Organization was incorporated in the State of New York on October 30, 2012 and is an exempt organization as described in Section 501(c)(3) of the Internal Revenue Code ("IRC").

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") in compliance with Accounting Standards Codification ("ASC") of the Financial Accounting Standards Board ("FASB").

Financial statement presentation

The classification of an organization's net assets and its support, revenue and expenses is based on the existence or absence of donor-imposed restrictions. The amounts are required to be classified as one of two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. Net assets are required to be displayed in a statement of financial position. The amounts of change in each of the classes of net assets are required to be displayed in a statement of activities.

The two classes are defined as follows:

Net assets with donor restrictions – Net assets resulting from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled or removed by actions of the Board of Directors pursuant to those stipulations, including contributions to be used for specific purposes or as specified by the donor. When stipulations are fulfilled, such net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as releases from restrictions.

Net assets without donor restrictions – The part of net assets that is available for use in general operations and not subject to donor-imposed restrictions or stipulations.

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid instruments acquired with a maturity of three months or less to be cash equivalents.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Organization to make certain estimates and assumptions that may affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Donated securities

Donated securities are measured at fair value on the date of receipt. It is the intention of the Organization to sell all gifts of public securities upon receipt or as soon thereafter as possible. For the fiscal year ended June 30, 2023, the Organization received donated securities with a fair value of \$1,987,156. The securities were sold, resulting in a realized loss on sale of investment of \$121 which is recorded in the accompanying statement of activities and change in net assets.

Unconditional promises to give and allowance for uncollectible accounts

Unconditional promises to give are recorded at net realizable value on the date of the contribution. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flow. The Organization uses the allowance method to determine uncollectible unconditional promises to give. Such estimates are based on management's assessments of the creditworthiness of its donors, the aged basis of its unconditional promises to give, as well as the current economic conditions and historical information. The Organization determined that no allowance for uncollectible accounts for unconditional promises to give was necessary at June 30, 2023.

Contributions receivable and allowance for doubtful accounts

Contributions receivable are recorded at face value net of allowance for doubtful accounts. The Organization uses the allowance method to determine uncollectible contributions. Such estimates are based on management's assessments of the creditworthiness of its donors, the aged basis of the receivable, as well as current economic conditions and historical information. No interest is charged on past due balances and balances greater than 90 days past due are reviewed by management. Amounts are written off after all means of collection have been exhausted and the potential for recovery is considered remote. The Organization determined that no allowance for uncollectible balances for contributions receivable was necessary at June 30, 2023.

Revenue recognition

Promises to give

Unconditional promises to give are recognized in the period received both as revenues or gains and as assets, decreases of liabilities, or expenses, depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition (continued)

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence or nature of any donor restrictions. When a donor restriction expires, that is, when the stipulated time or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Contributed services

Many individuals volunteer their time and perform a variety of tasks to assist the Organization with its related programs. Donated services are recognized when the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Certain volunteer services are not recognized, as contributions in the financial statements since the recognition requirements were not met. Therefore, the Organization does not recognize for accounting purposes the financial value provided by volunteers, who perform their services without compensation.

The Organization complies with ASU 2018-08, Not-for-Profit Entities, Topic 958, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. ASU 2018-08 amends ASC 958, to assist entities in (i) evaluating whether reciprocal transactions are subject to other guidance (i.e. ASC Topic 606) and (ii) determining whether a contribution is conditional.

Investments and investment income

Investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Unrealized and realized gains, net of investment fees are retained to support the Organization's operations for future years and to offset potential market declines.

Risks and uncertainties

The Organization invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying financial statements.

Grants and allocations

As part of its mission, the Organization has committed to providing grants and assistance to the Park. Park's grants and allocations are recorded upon invoices being submitted to the Organization and approved by management.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income taxes

The Organization is exempt from federal, state and local income taxes under Section 501(c)(3) of the IRC and, therefore, has made no provision for income taxes in the accompanying financial statements. In addition, the Organization has been determined by the Internal Revenue Service ("IRS") not to be a private foundation within the meaning of Section 509(a) of the IRC. There was no unrelated business income for the year ended June 30, 2023.

Under GAAP, an organization must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination by a taxing authority. The Organization does not believe it has taken any material uncertain tax positions and, accordingly, it has not recorded any liability for unrecognized tax benefits. The Organization is subject to routine audits by a taxing authority. As of June 30, 2023, the Organization was not subject to any examination by a taxing authority.

Fair values

The Organization considers the carrying amounts of financial instruments, including cash and cash equivalents, contributions receivable and accounts payable and accrued expenses to approximate their fair values because of their relatively short-term maturities.

Functional allocation of expenses

Expenses are classified to the program or supporting services category for which they were incurred and are summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated between program and supporting services in reasonable ratios determined by management.

Program services - include functions related to establishing, developing and promoting all aspects of the Organization's mission.

Management and general – involves direction of the overall affairs of the Organization, including, accounting, personnel, administration and related areas.

Fundraising – involves the development of funding sources to aid the Organization in the raising of funds for its programs.

The financial statements may report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses which are allocated include salaries and payroll taxes and benefits based on time and effort, and legal, advertising and marketing, office and miscellaneous, computer expenses and bank and credit card fees, based on the use of funds.

NOTE 3 CONCENTRATIONS

Cash and cash equivalents and investments

The Organization maintains cash and cash equivalents balances and investments at financial institutions insured by the Federal Deposit Insurance Corporation ("FDIC") and Security Investment Protection Corporation ("SIPC"). At times during the year, account balances may exceed current FDIC or SIPC limits. The Organization has not experienced any losses on such accounts, and management does not believe that the Organization is exposed to any significant credit risk with respect to such balances.

Contributions and grants

The Organization received contributions amounting to \$2,351,389 for the year ended June 30, 2023. Of this amount, \$1,951,565, amounting to 83% of total contributions, was received from City Parks Foundation ("CPF") in the form of a transfer and release of funds previously held by CPF for the benefit of Washington Square Park.

Additionally, the Organization received grants amounting to \$2,218,254 for the year ended June 30, 2023, whereby \$2,178,254 (net of discount to present value of \$70,064) or 98% of total grants, was received in the form of a four-year grant from New York University.

NOTE 4 UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give due in more than one year have been discounted using the risk-free rate of 4.27% at the date of the pledge to reflect their estimated present value.

Unconditional promises to give, net are recorded as follows at June 30:

Unconditional promises to give Less: discount to present value	\$ \$	2023 2,248,318 70,064 2,178,254
Unconditional promises to give, net consist of the following at June 30:		
Amounts due in: Less than one year One to five years Total	\$ \$	2023 537,409 1,640,845 2,178,254

NOTE 5 FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 5 FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

• Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Corporate bonds and U.S. treasury notes are valued at the closing price reported in the active market in which the individual securities are traded. If the obligation is not actively traded, the Organization uses a pricing service. The service employs a proprietary market approach method that uses as inputs observed interest rates and yield curves, prices in active markets for similar assets, and prices for identical assets in inactive markets that have been adjusted by observable indexes.
- Exchange-traded funds are valued at the net asset value ("NAV") of shares held by the Organization at year-end. Exchange-traded funds held by the Organization are open-end funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The exchange-traded funds held by the Organization are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level within the fair value hierarchy the Organization's assets at fair value:

Assets at Fair Value as of June 30, 2023

	1105000 40 1 411	vulue us of our		
	Level 1	Level 2	Level 3	<u>Total</u>

Total Assets at Fair Value	\$1,366,069	\$640,184	\$ -	\$2,006,253

The Organization maintained \$168,868 in cash funds with its broker as of June 30, 2023. Additionally, the Organization has a policy in place to reflect all cash balances maintained by its broker as part of its investment portfolio and therefore include in total investments reflected on the statement of financial position.

NOTE 6 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are recorded as contributions. Amounts restricted include purpose restrictions wherein donors have specified the purpose for which the contributions are to be spent or time restrictions are imposed or implied by the nature of the gift. For the year ended June 30, 2023, the Organization received \$2,178,254 (net of discount to present value of \$70,064) in donor contributions with time restrictions.

NOTE 7 LITIGATION

The Organization was involved in a legal proceeding arising from claims made by a park visitor and her family as disclosed in the prior year's financial statements. On July 18, 2023, the legal proceeding was discontinued by the plaintiff.

NOTE 8 AVAILABLE RESOURCES AND LIQUIDITY

The Organization regularly monitors liquidity to meet its operating needs and other commitments. The Organization has access to liquidity in the form of cash

For purposes of analyzing resources available to meet general expenditures over a twelve-month period, the Organization considers all expenditures related to its ongoing operations as well as the conduct of services undertaken to support those activities to be general expenditures.

NOTE 8 AVAILABLE RESOURCES AND LIQUIDITY (continued)

Financial assets available for general expenditure, without donor or other restrictions limiting its use, within one year of the statement of financial position date, comprise the following:

	<u>2022</u>
Cash and cash equivalents	\$ 295,308
Contributions receivable	16,865
Unconditional promises to give, current – net	537,409
Investments	2,175,121

Total	\$ 3,024,703

NOTE 9 MEMBERSHIP AGREEMENT

The Organization entered into a membership agreement on January 26, 2023 providing the Organization with access to four seats and nine hours of conference room usage at a monthly license fee of \$4,446 expiring on July 31, 2023. On June 12, 2023, the Organization renewed this membership agreement entitling it to four seats and nine hours of conference room usage at a monthly license fee of \$4,352 commencing on August 1, 2023 and expiring on July 31, 2024. The Organization was required to provide a security deposit in the amount of \$6,669 prior to the commencement of the original membership agreement. Rent expense for the fiscal year ended June 30, 2023 was \$22,255.

Annual future minimum payments are as follows:

	\$ 56,670
2024 2025	\$ 52,318 4,352
As of June 30,	

NOTE 10 SUBSEQUENT EVENTS

In preparing the accompanying financial statements, the Organization has evaluated all events and transactions occurring after June 30, 2023, through January 4, 2024, the date these financial statements were available to be issued. Except for the discontinuance of a legal claim on July 18, 2023 as disclosed in Note 7, there were no other subsequent events that have occurred that would require recognition or disclosure in the financial statements.
